| Label Applicator     | 2022 |  A photograph of a label applicator machine in a factory setting. The machine is a complex piece of industrial equipment with various rollers and a hopper. A white rectangular box is drawn over a portion of the machine, likely to redact sensitive information. The machine is positioned on a metal stand in a well-lit area with windows in the background. |
| Flour Machine        | 2022 |  A photograph of a flour machine in a factory setting. The machine is a large, industrial-grade piece of equipment with a hopper at the top and a grinding mechanism. It is situated in a clean, well-lit area with other industrial equipment visible in the background. The machine is primarily metallic and has a blue component on the left side.            |
| Electric pallet jack | 2023 |  A photograph of an Everlift electric pallet jack. The jack is black with a yellow motor housing and a black handle. The brand name "EVERLIFT" is visible on the side of the motor housing. The jack is shown from a side profile against a plain white background.  |
